INTRODUCTION

Founded in 2013, PT. Narmada Setia began its business as a small-scale industrial equipment supplier. Thanks to its commitment to quality and superior service, the company has continued to grow and gain the trust of numerous clients throughout Indonesia. Today, with over 10 years of experience, we are a leading and trusted provider of industrial solutions.

We are committed to providing the best products and services that add value to our customers. Strong technical support, experienced professionals, and a responsive service system make PT. Narmada Setia the leading choice for industrial equipment suppliers.
